CLASS C ELEVATING DEVICES MECHANIC APPLICATION FOR CERTIFICATION: GRANTED/CERTIFIED DIFFERENT JURISDICTION PATH

Payment Card Industry Data Security Standards prevent the use of credit card information sent through email or fax. A Client Service Representative will contact you within three business days to complete any payment process required.

Note: The information on this form is collected to administer the provisions of the *Safety Standards Act* and section 26 of the *Freedom of Information and Protection of Privacy Act*. If you have questions about the collection, use or disclosure of this information, contact the Records, Information and Privacy Analyst for the Technical Safety BC at 1-866-566-7233.

Part 1: Application Package Instructions

Please review the contents of this package before completing it.

This package contains all of the information and forms you need to apply for a Certificate of Qualification for the trade of **Elevating Devices Mechanic Class C**. The purpose of this package is to assist you in collecting the information we need to complete the assessment of your application. Technical Safety BC will assess your work experience and determine if you qualify for this certification path based on the information you provide.

The Technical Safety BC will process your assessment and will notify you in writing of the results of your assessment. Applications will be returned if information is missing. We cannot process incomplete applications.

Sections:

- Part 2: Applicant Information (page 2 of this package). To be completed by the applicant.
- Part 3: Applicant History (page 3 of this package). To be completed and signed by the applicant.
- Part 4: Employer Declaration (page 4 of this package). To be completed and signed by any current or previous employers where you have acquired work experience you want assessed as part of your application (page 4 section B). The Employee's Representative may also complete and sign the Employer Declaration form in situations where employer records are incomplete or unavailable.
- Part 5: Document Checklist (page 5 of this package). To be completed by the applicant.
- Part 6: Supplemental Training Checklist (page 5 of this package). To be completed by the applicant.
- Part 7: Application and Examination Policies (page 6 of this package). To be kept by the applicant for future reference.

All documents must be submitted in English. Translations of documents in languages other than English must be done by a certified translator.

- You are responsible for the cost of translation services.
- For a list of certified translators, contact the Society of Translators and Interpreters of British Columbia, or visit their website at http://www.stibc.org/directory.php.

NOTE: For your own records, you may want to keep a copy of this submission package.

Part 7: Application and Examination Policies

- Your application may be subject to audit. Please ensure that you have all documentation associated with your application.
- Ensure that you have reviewed and understand the following policies and information before submitting your application.
- · You may keep this page for future reference.

Policies

- 1. Incomplete application(s) will be returned to the applicant.
- Technical Safety BC will not be able to accommodate clients wishing to reschedule exams within 3 days of the scheduled exam date.
- 3. Re-schedule requests will be charged a re-scheduling fee (plus tax).
- 4. Clients who do not show up for an exam sitting will be recorded as a "no show." Subsequent requests will be charged the exam fee plus the re-scheduling fee (plus tax).
- 5. Rescheduled exams must be written within 60 days following the original scheduled exam date. Clients unable to write within this time will have to re-apply.
- 6. An examinee who arrives late will be penalized for the amount of time they are late.
- 7. An examinee not scheduled and approved to write on a particular exam day will not be allowed to write.
- 8. If an examination candidate fails to pass an examination on their first attempt, the candidate may not take the examination again until 30 days after the previous examination.
- 9. If an examination candidate fails to pass on their second or third attempt, a Provincial Safety Manager may stipulate terms or conditions in respect to the length of time that must elapse before the candidate may take the exam again. The Provincial Safety Manager may suggest an upgrade course to be successfully completed.
- 10. When an exam is rebooked, the fee for a rewrite is determined by the latest fee schedule.
- 11. Examinations will start and end on time.
- 12. Candidates must provide a government-issued picture ID or equivalent to the invigilator prior to writing the examination.
- 13. No cellular phones, blackberry(s), camera or any other type of communication devices are permitted in examination room or to be used during the examination period.
- 14. The only material allowed in the exam room is appropriate Code Books and reference material as specified in the syllabus, non-programmable calculators, non-technical and/or language dictionaries, highlighters, pens, pencils, erasers and rulers.
- 15. No notes should be made on reference material or pages removed from reference material provided. The questions are not to be recorded and taken out of the examination room.
- 16. Examinees are not permitted to leave the examination room, once the examination has started, without permission from the invigilator. The examinee should make every effort to remain in the examination room during the examination period. Under no circumstances will more than one examinee be permitted to leave the examination room.
- 17. All questions are to be directed to the invigilator. The invigilator will only answer questions on an administrative level. All other questions are to be recorded on the Exam Evaluation Form that is provided in the exam package.
- 18. There is no communication between the examinees, at any time, during the examination.
- 19. Completed examinations and all papers provided must be returned to the invigilator at the end of the examination.

Examination information and fees can be found on the Technical Safety BC website at www.technicalsafetybc.ca.
