The Province and BCSA will be separately responsible for any damages awarded against either party as a result of its own act, omission or fault, subject to any order of a court or tribunal of competent jurisdiction or to any agreement of the parties. The Province and BCSA will each use reasonable efforts to jointly defend or otherwise carry out any proceeding, however either party may at any time elect to defend or carry out the proceeding alone and notify the other in writing of this election, in which case each party will be responsible for its own costs of the litigation from that point forward.

## **ARTICLE 13**

### **TERMINATION OF THIS AGREEMENT**

- 13.01 Without limiting the powers of the Province under the Act or otherwise, the termination of this Agreement and the BCSA's authority to administer the Act may result from a decision of the BCSA to wind-up or cease to operate

as a safety authority, the insolvency or bankruptcy of the BCSA, or the failure or the BCSA to comply with the Act or this Agreement.

- 13.02 Notwithstanding section 13.01 above, in the event that BCSA fails to comply with the Act or this Agreement, before exercising its right to terminate this Agreement the Province may give BCSA notice to remedy the failure to comply or to make progress satisfactory to the Province toward remedying the failure to comply and the BCSA will have such period of time as is set out in the notice to remedy the failure or make satisfactory progress toward remedying the failure to comply.
- 13.03 Either party may terminate this Agreement on six (6) months prior written notice of termination to the other party.
- 13.04 To ensure that the public interest is always protected, in the event of a notice of termination being delivered by either party, the Province and the BCSA shall develop a termination plan that shall include but not be limited to the following:
- (a) a list of the BCSA's assets and liabilities;
  - (b) provisions for the transfer of the administration of the Act and the transfer of the BCSA's assets and liabilities to the Province or to any successor administrative authority; and
  - (c) a provision dealing with the status and employment of the employees of the BCSA.

## **ARTICLE 14**

### **INDEMNITY AND RELEASE**

- 14.01 The BCSA will indemnify and save harmless the Province, its servants, employees, contractors and agents, from and against any and all claims, demands, losses, costs, damages, actions, suits or other proceedings suffered or incurred by or brought against the Province attributable to or arising out of anything done or omitted to be done by the BCSA, its directors, appointees, officers, employees, contractors or agents under on in connection with:
- (a) the BCSA's administration of the provisions of the Act specified in the Delegation Regulation; and
  - (b) this Agreement.

## ARTICLE 15

### INSURANCE

- 15.01 The BCSA will, without limiting its obligations or liabilities under this Agreement and at its own expense, provide and maintain the following insurances with insurers licensed in British Columbia and in forms and amounts acceptable to the Province:

Commercial general liability insurance with a limit of liability not less than ten million dollars (\$10,000,000) per occurrence, or such higher amount deemed necessary by the BCSA to fully insure against liability of the activities and operations conducted by the BCSA, any person performing work on behalf of the BCSA, and those others for whom the BCSA is in law responsible. This policy will contain a severability of interests clause and cross-liability clause and contain an undertaking by the insurers to notify the Province in writing not less than thirty (30) days before any material change, cancellation or termination of the policy. The policy shall provide for the following coverage: the Province, together with the employees, agents, and servants of the Minister, shall be added as an Additional Named Insured, in respect of liability arising from the work or operations of the Insured and the Additional Named Insured, in connection with contracts entered into between the Insured and the Additional Named Insured.

- 15.02 All policies of insurance required under this Article will be primary and not require the sharing of any loss by any insurer of the Province.
- 15.03 If the BCSA is not providing blanket professional liability insurance for its eligible professional employees, the BCSA shall ensure that each eligible professional employee carries their own professional liability insurance in an amount generally acceptable in the industry in which the employee is working.
- 15.04 Upon the issue of and upon every renewal of a policy of insurance required under this Article, and otherwise upon request by the Province, the BCSA will deliver to the Province a compliant original signed and certified Ministry Certificate of Insurance (H-0111), or if requested by the Province, a certified copy of the policy of insurance or other satisfactory evidence of adequate insurance. No review or approval of any insurance certificate or insurance policy by the Province derogates from or diminishes the Province's rights or the BCSA's liability under this Agreement.
- 15.05 Any of the policies of insurance required under this Article may provide that the amount payable in the event of any loss will be reduced by a deductible amount designated by the BCSA and approved by the

Province, such approval not to be unreasonably withheld. The BCSA will be a co-insurer to the extent of the amount deducted from the insurance moneys paid in the event of any loss, and the amount will, for the purposes of section 15.08 be included as part of the insurance moneys payable and paid.

- 15.06 If any of the policies of insurance required under this Article contain any co-insurance clauses, the BCSA will maintain at all times a sufficient amount of insurance to meet the requirements of such co-insurance clause so as to prevent the Province or the BCSA from becoming a co-insurer under the terms of such policy or policies and to permit full recovery from the insurer in the event of loss.
- 15.07 The BCSA will comply promptly with the requirements of all policies of insurance required under this Article and will not do or permit anything to be done that results in the cancellation or threatened cancellation or the reduction of coverage or threatened reduction of coverage under any such policy.
- 15.08 If the BCSA fails to effect the restoration, reconstruction, or replacement of any loss or damage in respect of which insurance moneys are payable within a reasonable time, the Province will be entitled to effect such restoration, reconstruction, or replacement and the BCSA will cause the mortgagee or any other person to whom such insurance moneys are payable to pay or cause to be paid to the Province such insurance moneys in the same manner the mortgagee or other person would have done had the BCSA effected such restoration, reconstruction, or replacement.
- 15.09 The BCSA will pay or cause to be paid all of the premiums under the policies of insurance required under this Article as they become due and payable, and if the BCSA does not do so, the Province may, but is not obligated to, do so.
- 15.10 If the BCSA at any time during the Term fails to provide and maintain any insurance required under this Article, the Province, although not obligated to do so, may obtain and maintain such insurance in such amount or amounts with such deductible amounts and for such period or periods of time as the Province deems advisable.
- 15.11 The Province may, from time to time, by notice to the BCSA require the BCSA to:
  - (a) change the amounts of the insurances required to be provided and maintained under this Article; or

(b) provide and maintain another type or types of insurance in replacement of or in addition to the insurance previously required to be maintained under this Article;

and the BCSA will, within 90 days of receiving such notice, cause the amounts or the insurances to be changed or new types of insurance to be obtained and to deliver to the Province a compliant original signed and certified Ministry Certificate of Insurance (H-0111) for all insurance then required to be maintained by the BCSA under this Article.

15.12 If the Province imposes an obligation on the BCSA by way of legislative or regulatory amendments, including without limitation by way of amendments to the Delegation Regulation, which gives rise to exposure to liability on the part of the BCSA for which the BCSA cannot reasonably obtain appropriate liability insurance, the BCSA will provide immediate notice to the Province in writing of the uninsured risk and the BCSA and the Province will identify appropriate measures to resolve the issue to the satisfaction of both parties.

## **ARTICLE 16**

### **DISPUTE RESOLUTION**

16.01 If there is a dispute between the parties under this Agreement, either party may by written notice to the other refer the dispute for resolution in the first instance to the Assistant Deputy Minister of the Ministry, on behalf of the Province, and to the President and Chief Executive Officer of the BCSA, on behalf of the BCSA, who will each use reasonable efforts to resolve the dispute within the period of 14 days following the date it was referred to them.

16.02 If a dispute between the parties under this Agreement cannot be resolved in accordance with section 16.01, the dispute will be referred by the parties to a single arbitrator and be finally resolved by arbitration administered by the British Columbia International Commercial Arbitration Centre in accordance with the Domestic Commercial Arbitration Rules of Procedure of the Centre, as amended from time to time.

16.03 The place of arbitration will be Victoria, British Columbia.

16.04 The arbitration will be conducted in private and the parties will use their best efforts to keep confidential

- (a) all materials submitted,
- (b) all evidence tendered, and
- (c) the decision rendered by the arbitrator,

except where required by law or where the parties otherwise agree to waive such confidentiality.

19.03 The BCSA will not, during the Term, perform a service or provide advice to any individual, corporation, firm, association or other legal entity where such activity will, in the reasonable opinion of the Province, give rise to a conflict of interest between the obligations of BCSA to the Province under this Agreement and the obligations of BCSA to such other individual,

corporation, firm, association or other legal entity that prevents BCSA from fulfilling its obligations under this Agreement.

- 19.04 Any notice, document, statement, report, demand or payment desired or required to be given or made under this Agreement, must be in writing and may be given or made by personal delivery to the party to whom it is to be given or made, or by mailing in Canada with postage prepaid addressed, if to the Province:
