IMPROVING CONNECTION AND ENGAGEMENT WITH THE SAFETY SYSTEM

Improved client-facing services

Enhanced responsiveness to high risk events

Increased technical safety system insights shared

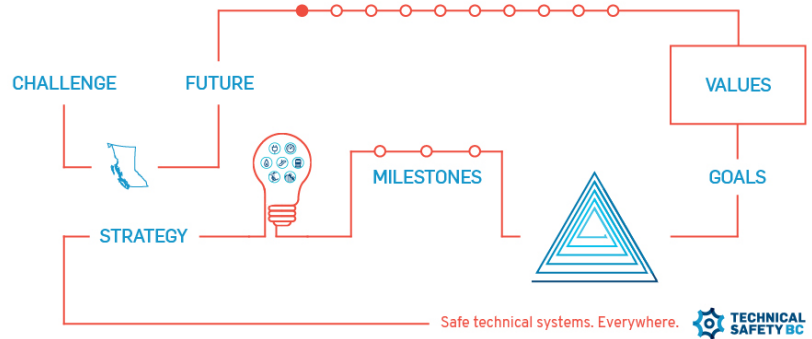

Innovations in risk management, machine learning and data sharing

OUR NEW 10-YEAR STRATEGY

- Demographics
- Digitalization
- New economies and knowledge models
- New approaches to governance and oversight

2019 - 2028

10-YEAR STRATEGY

Our vision remains:
Safe Technical Systems. Everywhere.

PARTNERING WITH THE PROVINCE AND PUBLIC SECTOR

- Amended *Safety Standards Act*
- New Memoranda of Understanding with BC Utilities Commission and several Metro Vancouver cities
