C. Declaration

In accordance with section **61(2) of the Power Engineers, Boiler, Pressure Vessel and Refrigeration Safety Regulation** data reports, as defined in **CSA B51** or the National Board Inspection Code ANSI/NB-23, or both, shall be submitted with this declaration for every boiler, pressure vessel or pressure piping installation. In accordance with **CSA B51** for cast iron and cast aluminum sectional boilers, the installer shall, in lieu of a Manufacturer's Data Report, submit an installation report for each cast iron and cast aluminum sectional boiler installed. A repair or alteration report shall be submitted with this declaration for the repair or alteration of a boiler, refrigeration system, pressure vessel or pressure piping system.

Description of work (including any piping done):

Installation
 Repair/Alteration
 Boiler
 Pressure Vessel
 Pressure Piping included? Provide Design Registration Number if pressure piping is greater than NPS3:

Refrigeration Plant: (Choose one from below)
 Group A1, A2, B1 Refrigerant: Plant Capacity 125 kW or less Plant Capacity greater than 125kW
 Group A3, B2, B3 Refrigerant: Plant Capacity 25 kW or less Plant Capacity greater than 25kW

This Declaration requires the following attachments to be submitted prior to acceptance:

Submission of an Installation Report for ASME Sec IV Cast Iron and Cast Aluminum Sectional Boilers [FRM-1555](#) in lieu of a Manufacturers Data Report
 Submission of the Manufacturers Data Report (boilers, pressure vessels and piping as required)
 Submission of Repair / Alteration Report (boilers, pressure vessels)
 Verification, Factory assembled REF units ≤ 125 kW, Group A1,A2 and B1, bear the approved testing laboratory mark as per CSA B-52 Certification Standard Applicable: _____

Work in progress
 All work complete
 Re-inspection, non-compliances corrected
 General Request (e.g. Re-certification)
 Date of Correction: _____

Notes for Safety Officer:

I hereby declare that the installation / repair / alteration under the above permit is in compliance with the Safety Standards Act and Regulations and the site is accessible and safe to inspect.

Checking this box and submitting this form to BC Safety Authority **via email** constitutes your authorization. This has the same effect as submitting a handwritten signature.

Name: _____ Signature: _____ Date: _____

Phone number: _____

Re-inspection fees may be assessed when an inspection of a previous non-compliance is performed (min. 1 hour will be charged)
